

Redwood Adventure Camp

The following is a list of items that are recommended for packing. (for a separate Family Camp packing list, [click here](#))

When preparing your camper for their departure, please keep in mind that they will be sleeping and playing in the **out of doors**. Please do not hesitate to contact our office should you have any questions regarding what your camper should bring with them. **Electronic equipment** of any kind is prohibited at camp with the exception of a camera. **Cell phones do not work at Camp**. A small inexpensive camera is recommended due to the rugged nature of the terrain and the proximity of water. Redwood Adventure Camp is not responsible for any loss or damage to personal equipment brought to camp. Any other equipment brought to camp besides a camera will be confiscated and returned to the camper at the end of the week.

The use of tobacco, alcohol, or other drugs is strictly forbidden to campers and staff alike. The parent of a camper who brings drugs to camp will be called to pick up their child immediately, and no refund will be issued.
